Classes for this Career

- Science Courses
- Natural Resources/Agriculture Classes
- Internships with agriculture research or conservation agencies
- Summer programs/volunteer work with conservation

`IMI PONO NO KA `ĀINA

2-week summer
program

Open to 6th-12th
grade

HO`OLAUNA: HILO

1-week summer
program

Open to 7th and
8th grade

HĀLAU KUPUKUPU

1-month summer
program

Open to K-12th
grade
